

Montgomery County Bass Club

Fact Sheet

The Montgomery County Bass Club (MCBC) is a member of the B.A.S.S. Tennessee Nation and is based in Clarksville, TN. MCBC is one of the most popular clubs in Tennessee and accepts both boater and non-boater members. Our club members have a diverse background and come from all across the United States. Many of our members are either active duty, retired military, or have prior military experience. We also have a number of members that are just very good hard working people who have always lived and worked in the middle TN area.

As a club we average over 50 members annually and fish on beautiful Kentucky and Barkley lakes. We occasionally fish Old Hickory or Percy Priest to add diversity to our tournament schedule. The club provides weigh-in support to the annual Night Stalker Association Tournament and participates in its own Bass'n for Kids charity tournament. Members also have the opportunity to fish in the BASS Nation state tournament which can lead to qualification in the BASS Divisional and National Championships with the ultimate prize of fishing in the prestigious Bassmaster Classic.

MCBC is always willing to accept new members who have a desire to demonstrate their bass fishing skills. If you are interested in joining MCBC or would like more information please contact any of our club officers or club members on how to join one of the finest organizations in the state. You are always welcome to attend a monthly meeting which is held the second Monday of each month at 7 pm. Check our club calendar www.mcbassclub.com or our Facebook page www.facebook.com/mcbassclub for the location of the upcoming meeting.
